You'll find so many choices to get your ag business the recognition you want! Meet farm decision-makers and enjoy real sales opportunities.

The National Farmers Sponsorship Program

Sponsorships at National Farmers National Convention are divided into two categories, Agricultural Leader Sponsorships and Warm Welcomes Sponsorships. Each category offers a myriad of benefits for sales representatives who want to see their company name highly visible to National Farmers members, leaders and staff. The categories complement each other, offering slightly different benefits and costs, with Warm Welcomes Sponsorship on-site benefits being more oriented toward special events held during National Convention. At the top levels, Warm Welcomes Sponsorships offer the most exposure available.

Institute for
RURAL AMERICA

Auction Fun!

You're invited to donate a basket or other items for the Institute for Rural America auction. It benefits projects of the Institute, such as scholarships for students who will pursue ag-oriented degrees. When you include company merchandise with other items, you receive the benefits of brand recognition and support a good cause. Value of \$50 or more is recommended.

Registration Greetings Sponsor **\$300**
